## Quotes by Scientists and Doctors

- "I happen to have spent a couple of decades doing research on infectious disease outbreaks and also in vaccine safety. I don't see how I could be silent." Dr. Martin Kulldorff, Harvard Professor and Epidemiologist.
- "There is no "expert dispute" over the efficacy of Natural Immunity to C-19....there's only "expert denial" of the epidemiological data and of the basic science of immunology. ' Hooman Noorchashm MD, PhD.
